

## Introduction

**As part of our ongoing efforts to support Members with the implementation of the European Union Deforestation Regulation (EUDR), following our first survey in November 2023, the Executive Director would like to invite you to participate in this follow-up survey. Your insights and experiences will help us understand how much the coffee sector has progressed in its preparation for the EUDR. Additionally, your feedback will enable us to continue our work on advocacy while providing more support to Members as the industry prepares for the full entry into force of the EUDR.**

**This survey will take approximately 15 minutes to complete. Information will be treated as confidential and will be processed in an aggregated manner, with the aim of gaining more clarity on the state of the implementation of the EUDR. Kindly note that it is expected that each focal point complete one survey only.**

### **Instructions:**

**To start the survey, please click 'Next' below. You may stop and resume the survey at any time before submitting, provided that you use the same device. You may also revise the answers already provided as many times as you like until you submit the survey. Should you wish to discard the answers on a given page, please click 'Exit'.**
